History of Present Illness

Betty was seen today in her home at Russellville Hometown Manor for a routine follow up appointment. She reports that she is doing well overall but she has noticed some left leg swelling. She reports that this is not unusual for her especially during the summer. She has been increasing her water intake. Otherwise she reports that she is doing well and denies any other concerns.

Physical Exam

**Notes:** **Constitutional:** General Appearance: healthy-appearing, well-developed, and obese . Level of Distress: no acute distress. Ambulation: ambulates without assistance. **Psychiatric:** Insight: good judgement. Mental Status: normal mood and affect and active and alert.
