The ABCs of the Annual Wellness Visit

#### Medicare Wellness Visit

Mode of Visit: Video

Location of patient: -HOME-

Location of provider: +BHMGM CLINIC+

You have chosen to receive care through a telehealth visit.

The patient has signed the video visit consent form.

The visit included audio and video interaction. No technical issues occurred during this visit.

Amanda E Presley is a 49 y.o. patient who presents for a Medicare Wellness Visit.

The following portions of the patient's history were reviewed and updated as appropriate: allergies, current medications, past family history, past medical history, past social history, past surgical history, and problem list.

Compared to one year ago, the patient's physical health is the same.

Compared to one year ago, the patient's mental health is the same.

#### Recent Hospitalizations:

This patient has had a Baptist Hospital admission record on file within the last 365 days.

#### Current Medical Providers:

Patient Care Team:

Raghavan, Chitra, MD as PCP - General (Internal Medicine)

Shahid Salles, Sara, DO as Consulting Physician (Osteopathic Medicine)

Winkley, James M, MD as Consulting Physician (Neurology)

Vascello, Luis A, MD as Consulting Physician (Anesthesiology)

East, Kimberly Denise, APRN (Inactive) as Nurse Practitioner (Obstetrics and Gynecology)

Meek, John R, MD as Consulting Physician (Infectious Diseases)

Tzouanakis, Alexander E, MD as Consulting Physician (Pulmonary Disease)

#### Outpatient Medications Prior to Visit

Medication	Sig	Dispense	Refill
• albuterol sulfate HFA 108 (90 Base) MCG/ACT inhaler	ALBUTEROL SULFATE HFA 108 (90 Base) MCG/ACT AERS		
• Azelastine HCl 137 MCG/SPRAY solution	ADMINISTER 1 SPRAY INTO THE NOSTRIL(S) AS DIRECTED BY PROVIDER 2 (TWO)	90 mL	1

### Progress Notes - Encounter Notes (continued)

#### Progress Notes by Raghavan, Chitra, MD (continued)

#### CMS Preventative Services Quick Reference

#### Risk Factors Identified During Encounter

**Fall Risk-High or Moderate:** Discussed Fall Prevention in the home

**Immunizations Discussed/Encouraged:** Tdap and Capvaxive (Pneumococcal conjugate - PCV21)

The above risks/problems have been discussed with the patient.

Pertinent information has been shared with the patient in the After Visit Summary.

An After Visit Summary and PPPS were made available to the patient.

#### Follow Up:

Next Medicare Wellness visit to be scheduled in 1 year.

Additional E&M Note during same encounter follows:

Patient has additional, significant, and separately identifiable condition(s)/problem(s) that require work above and beyond the Medicare Wellness Visit

#### Chief Complaint

Medicare Wellness-subsequent (Needs direction for trach cleaning. Had a referral for pulmonology in Dec, has never heard from them for appt. )

#### Subjective

##### HPI

Amanda is also being seen today for an annual adult preventative physical exam.

The nurse from VNA comes once a week, as wound is better.

Has a caregiver currently.

Mon- Fri 8-4 and 5 hrs Sunday..

She has had her tracheostomy since November and Martha can see crud on the inside.

HH helps change her collar and the suctioning. Unsure about the tube.

She is a Caelon Palliative care program .

#### Review of Systems

**Constitutional:** Positive for fatigue. Negative for activity change, chills and fever.

**HENT:** Positive for trouble swallowing. Negative for ear discharge, ear pain, sinus pressure and sore throat.

**Respiratory:** Positive for choking. Negative for cough, chest tightness and shortness of breath.

**Cardiovascular:** Negative for chest pain, palpitations and leg swelling.

**Gastrointestinal:** Negative for diarrhea, nausea and vomiting.

**Musculoskeletal:** Positive for gait problem and myalgias. Negative for arthralgias and back pain.

**Neurological:** Positive for speech difficulty and weakness. Negative for dizziness, syncope and confusion.

**Psychiatric/Behavioral:** Negative for sleep disturbance.

#### Assessment & Plan

Diagnoses and all orders for this visit:

#### Tracheostomy complication, unspecified complication type

- Ambulatory Referral to General Surgery

#### Spastic tetraplegia

#### Chronic ulcer of sacral region, unspecified ulcer stage

##### Comments:

healed, has another spot , healing, followed by wound care.

#### Other orders

- fluconazole (DIFLUCAN) 150 MG tablet; Take 1 tablet by mouth Daily.

Trach was placed during her admission in November 26th 2024.

She has had the tach since then and her family is concerned about all the crud that accumulated on the inside of the piece that hold the cannula in, as it doesn't come out with the suctioning.

Will proceed with GS referral for the same.

BAPTIST HEALTH MEDICAL Presley, Amanda E  
 GROUP MRN: 8911072096, DOB: 1/6/1976, Legal Sex: F  
 3101 WALL ST Visit date: 7/29/2025  
 LEXINGTON KY 40513-1706

**Progress Notes - Encounter Notes (continued)**

**Progress Notes by Raghavan, Chitra, MD (continued)**

She has had her PEG tube replaced recently due to malfunctioning.

Unable to do labs as patient is bedbound and home health has been unsuccessful despite multiple attempts. Advised, recent labs done during her last hospitalization are stable. Will monitor for now.

Plan discussed with patient and her mom Martha.

PHQ-2/PHQ-9 Depression screening reviewed with patient . Total time spent today for depression screening with Amanda E Presley was 15 minutes in counseling, along with plans for any diagnostic work-up and treatment.

Advice and education were given regarding cardiovascular risk reduction, healthy dietary habits, Seatbelt and helmet use and self skin examination.

The MyChart Terms and Conditions to which you agreed when you registered for your MyChart account also apply to Baptist Health Video Visits.

☒ I will be physically located in Kentucky or Indiana at the time of my video visit. If a medication is prescribed to me during my video visit, I understand that I must fill my prescription at a Kentucky or Indiana pharmacy. *Exception to this would be those patients of the Primary Care Metropolis practice located in Illinois.*

1. Video visits are not for emergency medical care or for complicated medical conditions. If you are experiencing an emergency medical issue, call 911 or go to the nearest Emergency Department. If you have a complicated medical condition, call your healthcare provider. If you need a referral to a Baptist Health provider, please call 1-844-6BAPTIST (or 1-844-622-7847).

2. In order to participate in a video visit, you acknowledge and agree that you are 18 years or older and are legally able to make your own medical decisions. If you are the parent or legal guardian of a minor age 2 or older and you have proxy access to the minor's MyChart account, you may schedule a video visit for the minor so long as you remain physically present with the minor during the entire video visit. If you have questions related to MyChart proxy access, please call the Baptist Health MyChart team at 1-844-764-7820.

3. You understand that your video visit may be conducted by a physician, physician assistant or nurse practitioner in Baptist Health's sole discretion.

4. Medications

**If you have been scheduled to receive your care using a video visit by your established Baptist Health provider, medication refills and prescriptions for narcotics or controlled substances will be at the discretion of your established provider.**

5. A video visit is an online encounter where you will see the face and hear the voice of the Baptist Health provider and the Baptist Health provider will see your face and hear your voice via a secure video connection. Baptist Health is not responsible for the quality of the video during the visit nor for any technology failures that may occur during the video visit.

6. You will be introduced to the Baptist Health provider via video connection. You may reject the use of video technology at any point during the video visit. By rejecting the use of video technology, the video visit will cease. You further understand that if the Baptist Health provider believes you would be better served by an in-person healthcare provider, that he/she may stop the video visit at any time and refer you to an in-person provider.

7. You hereby give your informed consent to the use of video visit video connectivity in your care. You understand that you have alternatives in which to seek care, including an in-person visit with a healthcare provider of your choosing. If you need a referral to a Baptist Health provider please call 1-844-6BAPTIST (or 1-844-622-7847).

8. Baptist Health is not responsible if you do not provide thorough and accurate information regarding your health history and/or current medical condition prior to or during the video visit. Should any dispute arise related to your video visit, Kentucky law will govern this dispute.

9. You understand that the laws that protect privacy and confidentiality of medical information also apply to video visits. You acknowledge that you have reviewed the Baptist Health Notice of Privacy Practices. Please copy and paste the following web address to view Baptist Health Notice of Privacy Practices: <https://www.baptisthealth.com/Pages/patients-and-visitors/baptist-health-medical-group-privacy-notice.aspx>

10. I agree that I am responsible for payment of my Video Visit bill. Payment of any portion of my bill not covered by a third party payor will be billed and collected after my Video Visit and I agree to pay any remaining amounts including but not limited to co-pays or deductibles in full. I agree to the assignment of all third party payor benefits to Baptist and to any health care provider rendering services to me. After reasonable notice, any unpaid account may be turned over to a collection agency and/or attorney for collection. Should it be necessary for Baptist to pursue collection, I agree to pay all reasonable collection costs, including court costs and attorney's fees incurred by Baptist in collecting my account. Pursuant to the Fair Credit Reporting Act (15 USC §1681b(a)(2)), I authorize SearchAmerica, or any other a credit reporting agency, to release to Baptist or any of its representatives or affiliates, my consumer report.

I understand this authorization is valid until my Baptist account for all services is closed

☒ 11. I have read, understand, request a video visit appointment, and voluntarily consent to my video visit appointment with a Baptist Health provider.

RE: Amanda E. Presley  
 DOB: 01/06/1976

Dear Chitra,

Today I had the pleasure of seeing your patient, Amanda E. Presley, in the office on 08/06/2025. Below are my findings and recommendations. Thank you for allowing me to participate in the care of Amanda. If I can be of any further assistance, please do not hesitate to let me know.

*Assessment & Plan (Matthew D. Shane, MD: 08/06/2025 10:47 AM)*

#### **OTHER DYSPHAGIA**

**Today's Impression:** Ms. Presley has done well from her Trach and PEG. I have replaced her trach inner cannula and also reassured her mother that both the trach and Peg are fine, and that granulation tissue is fairly normal. I have released her to regular activity, and will see her back as needed.

#### Current Plans:

#### **Additional Instructions**

How to Access Health Information Online using Patient Portal and 3rd Party Apps

The signature at the end of this document signifies that the physician of record has personally entered and/ or reviewed all data present in the patient's medical record, including (but not limited to) the Allergies, Medications, Past Medical History, Past Surgical History, Family History, Social History, and Review of Systems.

Follow up as needed
